

Accessories

	Order No.	Price/€
 <p>H-UV changeover valve 3-way changeover valve for switching 2-storage tank systems or solar stratification. ¾", 230 V.</p>	1002690	122.00
 <p>Solar station in thermal box Two-line pump group DN25 for collector area from 4 to approx.40 m². Consisting of flow limiter, safety valve 6 bar, pressure gauge 10 bar, 2 thermometers, 2 shut-off valves, 2 non-return valves, 2 connections for filling and purging, block insulation, wall bracket, fixing screws and compression ring screws. With MAG connection set and de-aerator cylinder. 2-point solar controller incl. storage tank sensor and collector sensor.</p>	1001063	930.00
 <p>Solar liquid H-PE 10 For flat collectors. Corrosion and frost protection in the solar circuit with high thermal transmittance. Non-toxic. Biologically degradable to DIN 4757. Canister 10 kg.</p>	1001014	82.95
 <p>H-AG expansion vessel Membrane expansion vessel filled with nitrogen. Prepressure set to 2.5 bar. Connection G ¾". Operating temperature -10 to +110 °C. With EC type certificate.</p>		
H-AG expansion vessel 18 l	1001012	102.00
H-AG expansion vessel 25 l	1000998	111.00
H-AG expansion vessel 40 l	1001013	155.50
 <p>Solar Duo flexible pipe, DN 16 Stainless steel corrugated pipes in HT insulation. Flow and return insulator in 2 parallel chambers. Temperature resistant up to 150 °C. UV resistant. For laying outdoors without additional protection measures. Incl. ¾" ÜM. Can be shortened on site.</p>		
Solar-Duo flexible pipe, DN 16 roll, 10 m	1001002	419.00
Solar-Duo flexible pipe, DN 16 roll, 15 m	1001003	640.00
Solar-Duo flexible pipe, DN 16 roll, 20 m	1001004	839.00
 <p>Solar Duo flexible pipe, DN 20 (as above, however DN 20)</p>		
Solar-Duo flexible pipe, DN 20 roll, 10 m	1001005	493.00
Solar-Duo flexible pipe, DN 20 roll, 15 m	1001006	732.00
 <p>Collector flow sensor PT1000/6</p>	1001758	34.82
SPF sensor for storage tank, length 3m	1000994	33.10

* Further types of installation such as flat roof, façade or in-roof installation on request. Prices are given as additional charge per collector.

Adapted solar controller available on request
